

## **About Us - Selling and Buying Beer Online Since 1998**

### **What We Do**

Our aims are to provide the widest, most interesting range of beers as is practical, at prices that are as low as possible for a mail order service. All of our goods are despatched on a next-day, fragile-handling service. We are passionate about beer, and work hard to ensure that our range is a mix of famous world classics and brand-new brews. We would never list anything that we wouldn't drink ourselves, and in recent years we've worked hard to constantly raise the quality and diversity of our offering.

### **How much do you charge for delivery?**

Our delivery is £8.75 (VAT inclusive) for the first 20kg, and then 36p for each additional kg. As a rough guide, a case of 12x50cl bottles is 10kg, a case of 24x33cl bottles is 15kg. Northern, western and offshore Scotland, N. Ireland, the Isle of Wight and the Isle of Man will cost more and take longer.

Our deliveries are sent on a next-day fragile handling service. If you order your beer before midday, you'll receive it on the next working day (this excludes the weekend).

Can I have beer delivered to a different address than my own?

Yes. Just let us know the delivery address.

**Can I add a gift card message?**

You certainly can.

**Everything is priced by the case. Can I order single bottles and cans?**

Yes of course you can! You can order whatever quantity you like

**PLEASE NOTE THAT PRICING IS EX VAT – VAT WILL BE ADDED AT 20%**

- we will try to despatch your order on the same day of it being placed. To qualify for next day delivery orders MUST be placed and paid for, before 12 noon, if this deadline is missed your order will be despatched on the next working day. We don't work weekends, so if you place an order after midday Friday, it might not be despatched until Monday.

- if you live in the Scottish Highlands, offshore, or Northern Ireland, delivery will take longer and cost more;

- we'll recompense you for any breakages, as quickly as possible.

- we strongly advise against leaving goods without a signature. We will not be liable for any losses incurred this way. Please specify a safe place or "Leave with neighbour" when you place your order

### Delivery -

Our standard delivery charge is £7.29 (excluding VAT) for the first 20kg. Each extra kilo over 20kg is an extra 36p. As a very general rule of thumb, a 50cl bottle of beer weighs 1kg, and a 33cl bottle weighs 0.75kg.

All our orders are sent out on an overnight working day delivery providing that there is no delay in cheque clearance or credit/debit card processing. There is an extra charge for delivery to the Scottish Highlands and Northern Ireland. Postcode areas PH, IV, KW, FK 19-20, PA, AB 31-56 are all subject to an additional charge. Please contact us by email or phone for any enquiries.

Although we will make every effort to ensure delivery times are met, we do not accept liability for failure to deliver within a stated time.
